

Registration Information Sheet (1 of 3)

EQUIPMENT

Learn to Skate skaters MAY wear hockey skates, figure skates, or speed skates. We recommend hockey skates for both boys and girls. All skaters must wear a helmet, knee pads and protective gloves. Any parent who goes on the ice with their child **must** wear a helmet and skates.

Power Skating skaters must wear hockey skates. All skaters must wear full gear including a helmet, knee pads, protective gloves, etc.

Groups A, B, and C skaters must wear speed skates, helmets, knee pads (volleyball-type), shin guards (soccer-type—no stirrups), a bib type neck protector made of Kevlar (hockey neck guard), and mittens or gloves made of cut resistant materials such as leather (leather riding gloves work well). **Protective eyewear is mandatory for all competitive skaters (racquetball goggles)**. All skaters attending competitions held in New Brunswick are required to purchase a numbered helmet cover from Speed Skate New Brunswick for a fee of \$20 and wear a speed skating helmet.

SKATE RENTAL

All skaters must be registered with the club before renting speed-skates. For those wishing to rent skates from the club, we will have skates available at the LBR during registration days. We have a limited number of skates available, so arrive early. After the registration days, renters must contact Mark Gallagher (455-5501) directly to arrange for pickup at his house. The skate rental cost for the 2011-2012 skating season ranges from \$60 - \$100.

All parents renting speed skates for the first time must attend a one hour skate care and sharpening session. This will be held during the Group C practice in October, details to follow.

COACHES AND HELPERS

Many coaches and helpers are needed to make our programs run smoothly. If you are willing to help coach, to learn how to coach, or to be a coach's helper, please check the appropriate box on the registration form.

WITHDRAWAL POLICY

Please note that a \$25 non-refundable portion is included in the fees for the Learn to Skate and Power Skating programs. Skaters in these groups who withdraw after November 8, 2011 will not be entitled to a reimbursement. For Groups A, B, and C, a \$50 non-refundable portion is included in the registration fees.

Registration information sheet (2 of 3)

COMMUNICATION

All communication (announcements, cancellations, upcoming events, etc.) will be done through e-mail (fassci@gmail.com) and our web site (www.frederictonspeedskate.com). To receive email communications, please ensure that your email address is included on the registration form. All e-mails sent to you will be from FASSCI.

REGISTRATION

If you have three or more children in groups A, B or C, you may register the child or children in the lowest group for \$40 per child. If your third or fourth child is in either the Learn to Skate or Power Skating program, their fees are waived except for the SSC and SSNB fee of \$15.

Groups A, B, and C skaters may pay their registration fees by post-dated cheques according to the attached payment schedule. **All post-dated cheques must accompany the registration form.** Skaters in the Learn to Skate and Power Skating programs must pay their whole fee when registering.

Any NSF cheque will incur a \$20 additional handling charge. In addition, skaters will not be allowed back on the ice until the **entire** remaining program fees are deposited.

Club registration cheques are to be made payable to "FASSCI". Mail the completed registration form and payment to the club registrar – see below for mailing details. **Please have registrations and payment to the Registrar by September 30, 2011.**
